Above are shown four of the eight beautiful daughters of Commander's Count that are being consigned to this sale by Willard Moser. Seldom do buyers have the opportunity to buy heifers of such outstanding type, quality and ancestry. From left to right they are Lucy Princess 4th, Greenland Mina Flora, Lancaster Marigold A 2d and Germanica's Clarinda A 2d. Those who attend this sale will agree that Mr. Moser owns one of the greatest sires of the present day.

## FOREWORD

To display further proof that Ohio is the greatest Shorthorn cattle state in the Union, the members of this state association have again provided an outstanding sale offering for the 1942 event. Most certainly no similar organization in the past decade has presented a catalog containing richer pedigrees and the twenty-eight consignors are more than willing that the public shall be the judge as to the truth of their claim that this offering contains individuals of higher quality than will be found in any State Sale this year. Most certainly this will be a mecca for prospective buyers because the offering is large enough to make possible a very wide selection. Twenty-three outstanding herd bulls are to be sold and this group contains many of the kind that will make future breed history. Forty-four beautifully bred females are listed and every one is of the real herd improving kind.

Any breeder who studies this catalog is going to feel the distinct urge to own some of these superior individuals and the man who does buy them at the moderate prices now prevailing will never have cause to regret the investment. It is well to remember that the great Avondale spent his entire history-making life in Ohio and the herds of this state contain more of the blood of this great improver than can be found in any other section of the country. With perfect Scotch pedigrees, individuals of show ring form and the guarantees of a fine lot of constructive breeders, the Ohio Shorthorn Breeders' Ass'n. will present the strongest sale offering in its history on March 23d with full confidence that this effort will be appreciated. You are cordially invited to attend and you may travel a long distance without any fear of being disappointed in the cattle that are to be offered.—Hal Longley of The Shorthorn World.

Millbrook Premier is a calf that has had a lot of admirers. He is low down with a deep body and a wonderful color — dark roan. We think his pedigree is also hard to improve upon. Sired by Rosehaugh Emigrant, a half brother to the champion club steer at last year's International — then Collynie Browndale a full brother to the great Browndale Star, used by T. Dorsey Jones, then Fair Acres Sultan Jr. that was one of the highest priced bulls to sell in the U.S.A., realizing his owner \$17,250.00. I'm sure you will be pleased with this calf,

Woodshade Paymaster, as his picture shows, is a dark red, well balanced bull. He is very thick, wide ribbed and deep bodied and has a remarkably smooth covering of thick flesh. His sire, Roan Pat, is a son of the famous Imp. Walshford Paymaster whose calves have been sensations in Canada. His dam is a solid red and is one of the best cows in the strong Fisher herd. Clay Hills Fashion is an extra good, heavy boned calf, exactly what one would expect from the mating of a son and a daughter of Imp. Collynie Royal Barrage. Other calves in our herd from similar doubling of the blood of this most propotent sire convinces us of the effectiveness of this cross. Any breeder buying this calf can benefit from our experience. We recommend him very highly as a sire.

She is thick, deep bodied, a very dark roan in color and a wonderfully attractive heifer from any view point. She stood second at the 1941 Michigan State Fair and was in the top half of her class at the Ohio State Fair last year. She was exhibited in many strong fairs as a calf in 1940 and has never been out of the money wherever shown in the two years. Best of all, she sells with a very promising bull calf, dropped February 5 and sired by Beldale Advance 2001394, an outstanding red son of Robinwood Revolution. This bull calf is a very dark red roan, almost red in color. We feel that this pair should prove attractive to buyers and hope they will be appreciated on sale day.

Study the picture of this heifer and then bear in mind that she is in calf since September 17, 1941 to the good red senior yearling show bull Cloverleaf Vogt.

**Irvine Hill Rosewood 33d** — This heifer was sired by Irvine Hill Renown, an outstanding son of Imp. Millhill's Rufus that I used advantageously and then sold to Leo Lamb at a very good price. This is one of his first heifers and, if he continues to produce like this, he will be classed as a truly great stock bull. This heifer is very short legged, deep bodied, smooth fleshed and of most modern type. Note that she is a granddaughter of Imp. Millhill's Rufus and that she comes from the most fashionable branch of the Bruce Rosewood tribe.

**Creeksdale Rosewood 36th** — Mr. Isler was kind enough to let us have two very choice Rosewood heifers sired by his good herd bull Maxwalton Guardian by the noted International champion Browndale Cumberland. This one is a deep red, smooth and blocky in her makeup . . . just the kind of a heifer any good breeder would like to own.

**Rosewood Maid 26th** — We asked for the best heifers in the state for this sale and we certainly got a great one in this heifer. She is a daughter of the noted Browndale Cumberland out of a beautifully bred Rosewood dam. She can win the 1942 summer yearling class and there is no question but that she will make a wonderful brood cow. Seldom are better heifers exposed for sale.
